DARKO MOHAR I LUKA TABAKO

6. 9. - 2. 10. 2019.

Luka Tabako rođen je u Rijeci, 15. siječnja 1984. godine. Fotografijom se bavi kao free-lance fotograf već desetak godina. Teško je odrediti kad je točno počeo fotografirati i kad se fotografijom počeo baviti profesionalno, ali ono što možemo sa sigurnošću odrediti je to da svoj zavičaj, njegovo govori, ljude i tradiciju voli jednako kao i fotografiranje svojeg otoka. Osim fotografije i snimanja raznih kratkih promotivnih filmova uspješno se bavi i vizualnim dizajnom.

Darko Mohar rođen je 1952. godine u Sloveniji, no već šest godina kasnije s obitelji je preselio u Bašku, gdje je završio osnovnoškolsko obrazovanje. Nakon kratkog povratka u Ljubljano, gdje završava fakultet, vraća se u Rijeku te započinje raditi za Carinsku upravu.

Ljubav prema Sloveniji i Hrvatskoj povezao je članstvom u planinarskim društvima „Opatija“ i „Snežnik“ te vođenjem planinarske skupine Slovenskoga doma u Rijeci. Planinarenje je bilo i idealna podloga za razvijanje znanja o fotografiji pa su tako upravo planine česti motiv njegovih radova. Mohar je izlagao na preko sedamdeset zajedničkih izložbi te je višestruko nagrađivan. Član je Foto kluba „Color“ iz Rijeke i foto skupine KPD Bazovica.

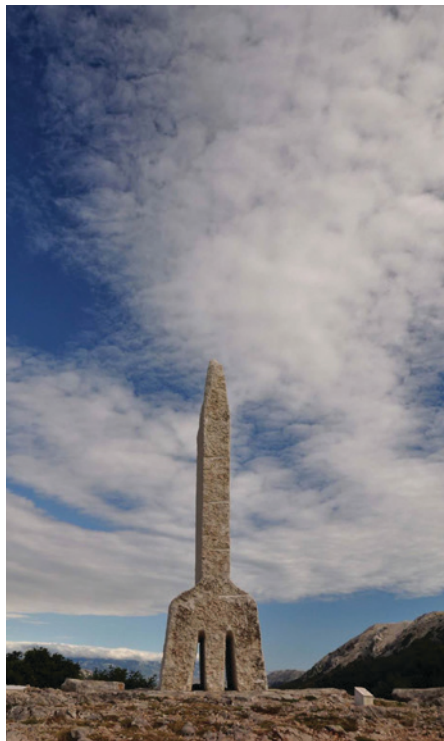

Darko Mohar

Luka Tabako was born in Rijeka on January 15, 1984. He has been working as a freelance photographer for about ten years. It is difficult to determine exactly when he started taking photographs and when he began to pursue photography professionally, but what we can safely determine is that he loves his hometown, its dialect, people and traditions as much as he loves taking photos of his island. In addition to photography and shooting various short promotional films, he is also successful in visual design.

Darko Mohar was born in Slovenia in 1952, but six years later he moved with his family to Baška, where he completed his elementary education. After a brief return to Ljubljana, where he graduated from college, he returned to Rijeka and began working for the Customs Administration.

He connected his love for Slovenia and Croatia with memberships in the hiking societies "Opatija" and "Snežnik" and by running a hiking group of the Slovenian Association in Rijeka. Hiking was also an ideal opportunity to develop his knowledge of photography, which is why mountains are a frequent motif of his work. Mohar has exhibited in over seventy joint exhibitions and has been awarded for his work numerous times. He is a member of the Photo Club "Color" from Rijeka and the photo group KPD Bazovica.
